PROFESSIONAL SUMMARY

Motivated Full Stack .NET Developer skilled in C#, ASP .NET Core, SQL Server, Angular, and Entity Framework. Strong OOP foundation and problem-solving skills, eager to contribute to impactful projects.

EDUCATION

Intensive Training Program (ITP) - .NET Full Stack Development Track

Information Technology Institute (ITI)

- Developed and deployed web applications using ASP.NET Core and Angular frameworks.

07/2025 – 12/2025

PortSaid, Egypt

Bachelor of Computer and Information Sciences

Suez Canal University

Grade: Good (Honors) - Graduation Project Grade: Excellent

08/2019 – 07/2024

Ismailia, Egypt

TECHNICAL SKILLS

Languages

C#, TypeScript, JavaScript (ES6), C++, Python, SQL, HTML, CSS, Bootstrap

Frameworks & Technologies

ASP.NET Core, Angular, Entity Framework, JWT, REST APIs, MVC, Unit Testing, Agile

Tools

Git, GitHub, VS Code, Postman, Swagger, Fiddler

Communication Skills

Communication, Collaboration, Problem-Solving, Time Management

INTERNSHIPS

Port Said Container and Cargo Handling Co. (PSCCHC)

- Information Systems and Database Management

07/2023 – 08/2023

PortSaid, Egypt

Information Technology Institute (ITI)

- Java, Object-Oriented Programming (OOP), Threads

06/2022 – 08/2022

Ismailia, Egypt

PROJECTS

GreenZone - Recycling System (ITI Graduation Project)

- full-stack application using ASP.NET Core Web API and Angular.

- A comprehensive web API system that connects citizens, waste collectors, and recycling factories through a reward-based platform. Users earn points for recyclable materials (plastic, cardboard, metal) which can be redeemed for real rewards.
- Developed with ASP .NET Core 9.0, Entity Framework Core, JWT Authentication, Repository & Unit of Work Patterns

11/2025 – 12/2025

BrightMind - E-Learning Platform

- BrightMind is a web-based e-learning platform that showcases multiple courses in areas like web development, data science, design, and marketing through a clean and structured multi-page website.
- Developed a responsive e-learning website using Angular (TypeScript), HTML5, CSS3/SCSS, JavaScript (ES6+), and Bootstrap 5.

10/2025 – 11/2025

CERTIFICATES

SQL Basic (MahraTech) 

C# Basic (Hackerank) 

Clean Code (MahraTech) 

International Collegiate Programming

Contest 

(ICPC ECPC Qualifications) - Honorable Mention
